Advisory for SEZ Registration on ICEGATE 2.0

1. Introduction

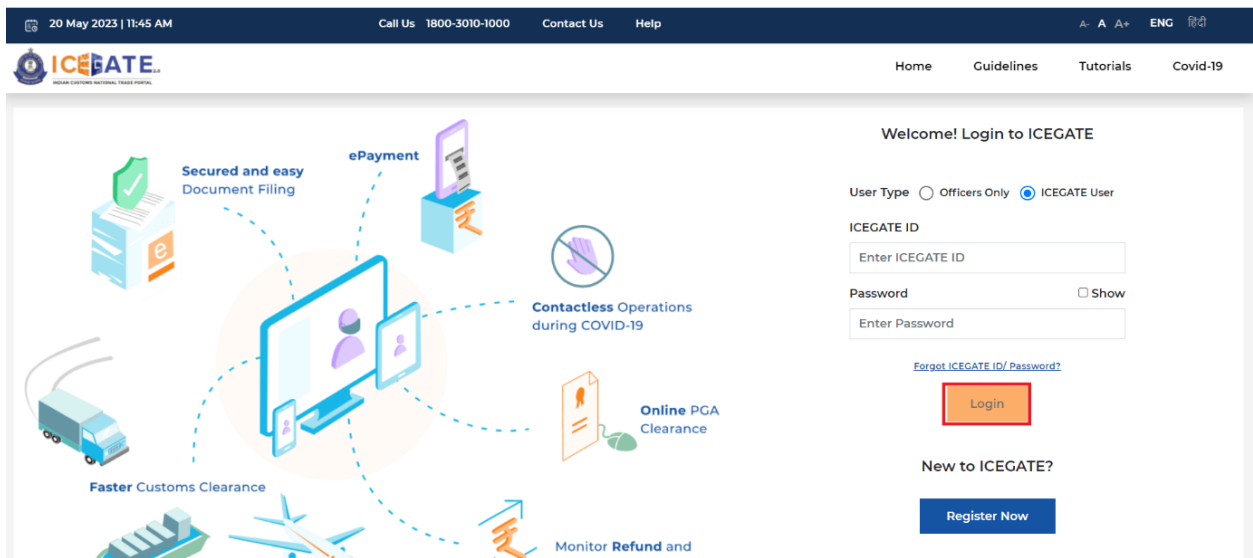

Registration facility for SEZ Units has been provisioned on the new ICEGATE portal in order to support the migration of Custom processes in SEZ to CBIC.

Through this facility, SEZ units can submit the registration request on ICEGATE Portal after providing the required details. After the approval of SEZ officers on ICEGATE Portal and successful system validation, SEZ units shall receive ICEGATE credentials, Warehouse code and Bond number.

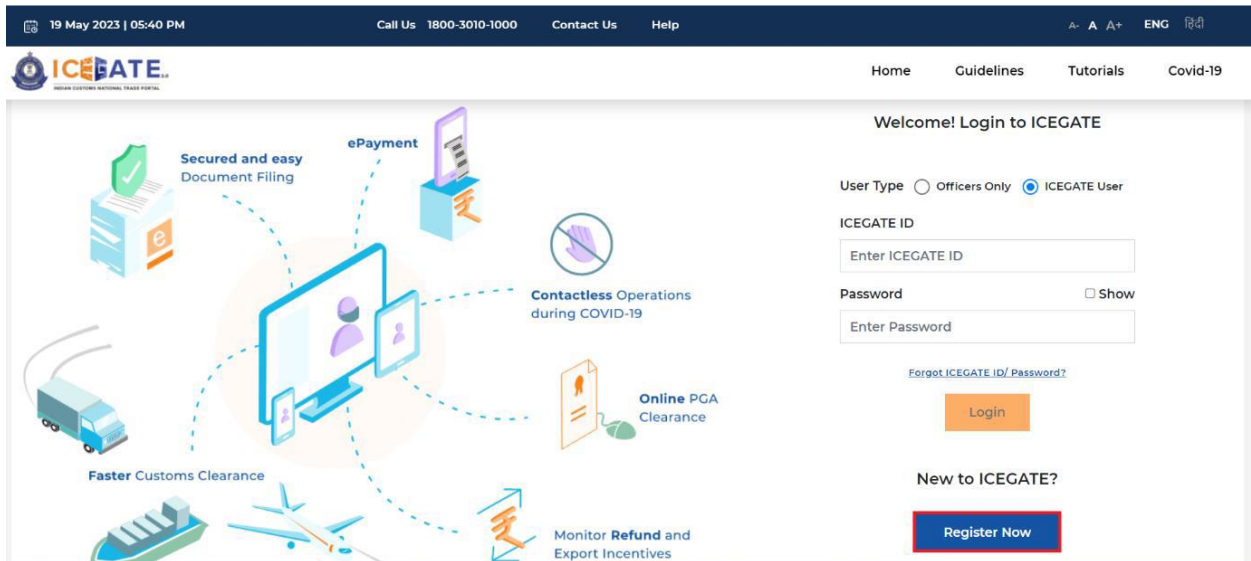

2. Step wise guide for SEZ units to register on ICEGATE Portal

Please follow the below-mentioned steps for obtaining a new SEZ Registration on ICEGATE portal. Kindly note, existing users of ICEGATE (i.e., users already registered on ICEGATE 1.0) are not required to obtain a fresh registration and they can directly log-in to the new ICEGATE 2.0 portal.

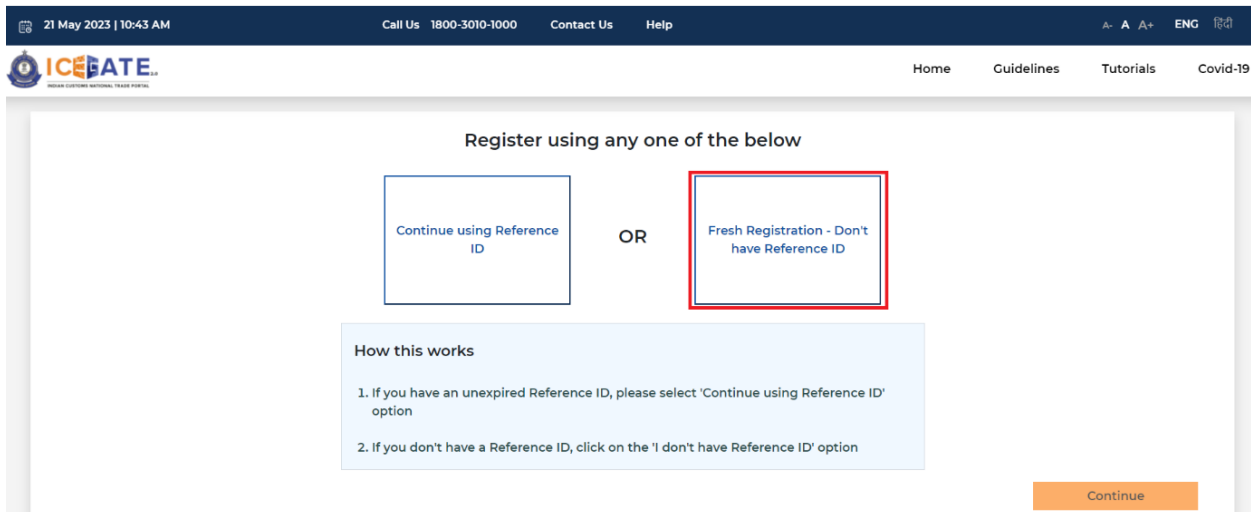

- a) If the user has already registered earlier, the user can directly login by providing their ICEGATE ID and Password without having to register again. In such cases, the 'User Type' that needs to be selected shall be 'ICEGATE User'.

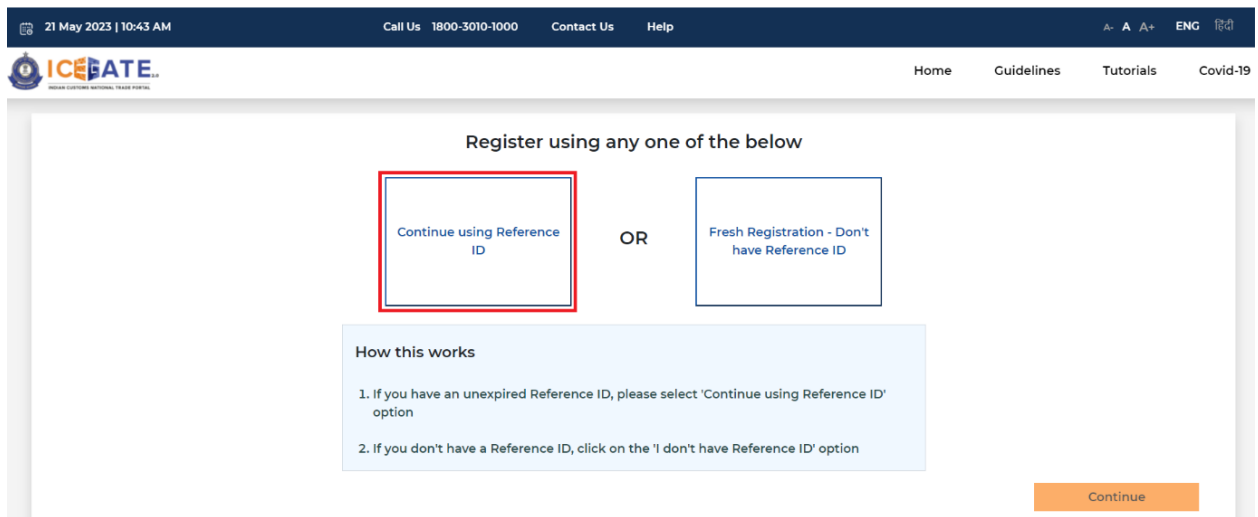

- b) For new registrations, click on the button <Register Now> button as shown in the screen below highlighted in red box.

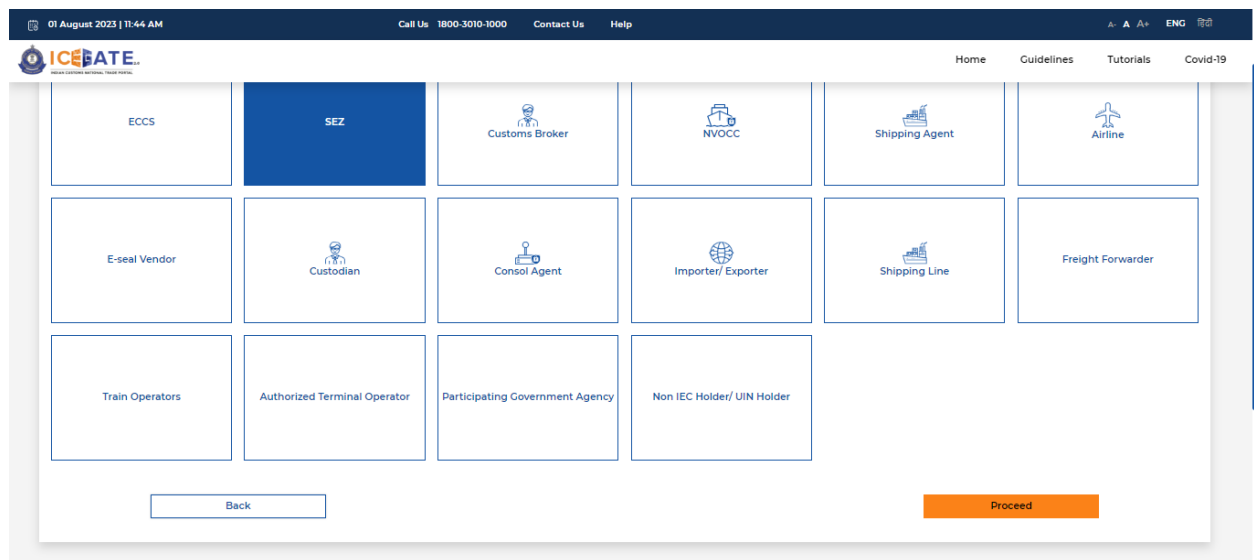

c) If the user is attempting the Registration for the first time and doesn't have a Reference ID, the user will have to click on the 'Fresh Registration- Don't have Reference ID' option and click on the <Continue> button.

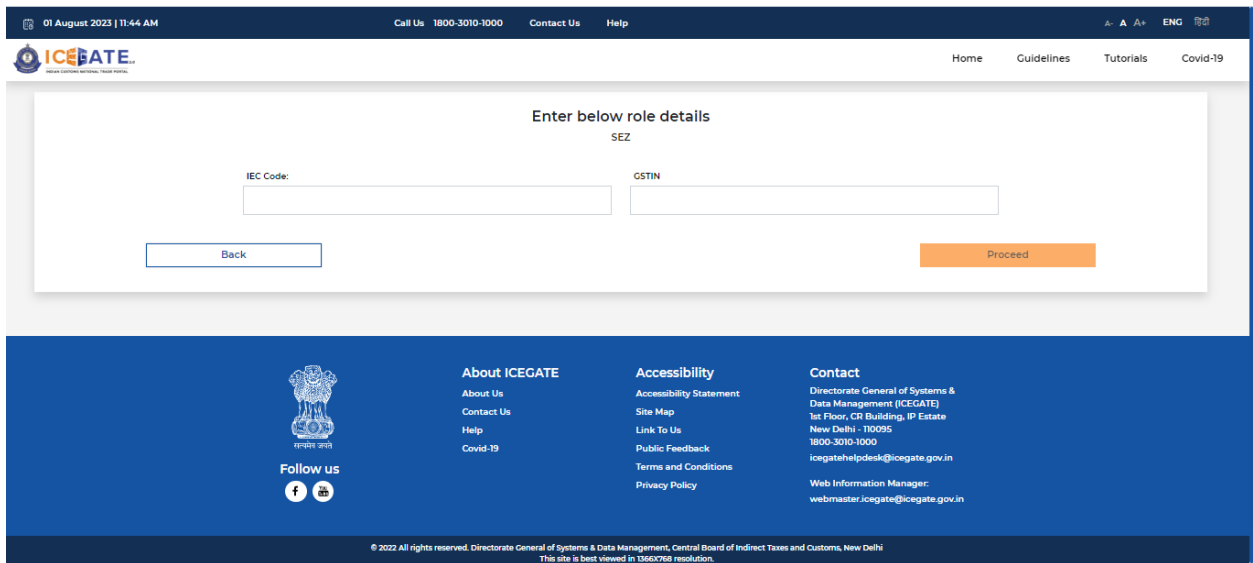

If the user has an unexpired Reference ID, click on the '**Continue using Reference ID**' option.

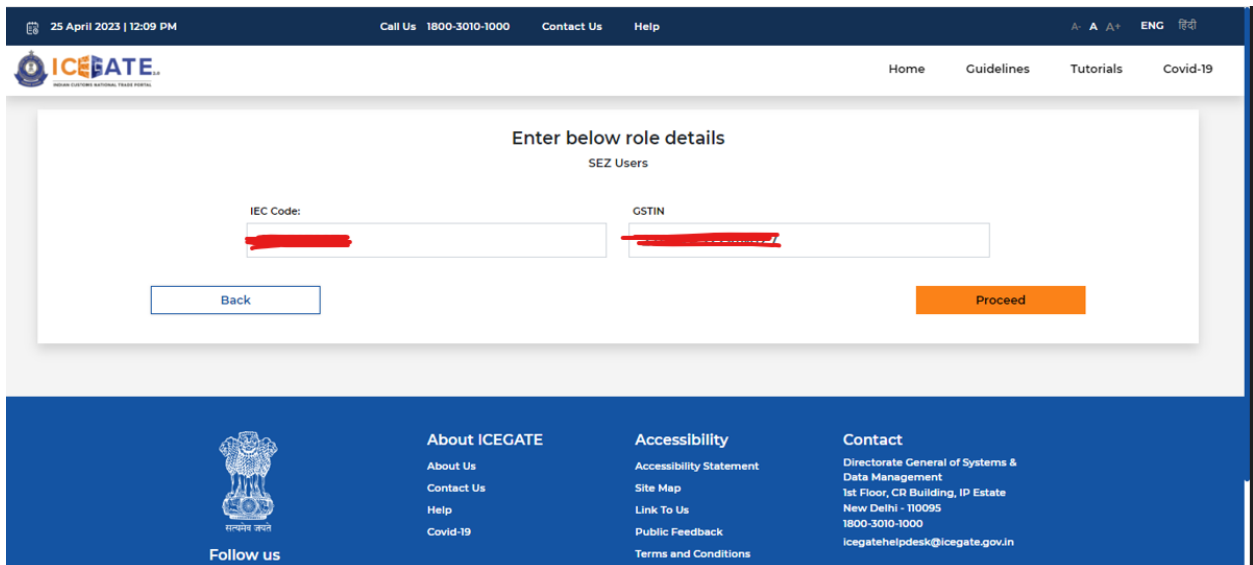

d) On clicking the <Continue> button, the system will display the below screen from where the user will have to select a Role and click on the <Proceed> button. User to select the role as 'SEZ' for SEZ Registration.

e) On clicking the <Proceed> button, the system will display the below screen where the user needs to enter and verify the IEC and GSTIN

f) User needs to enter IEC and GSTIN and click on <Proceed> button.

Please note that in order to proceed ahead:

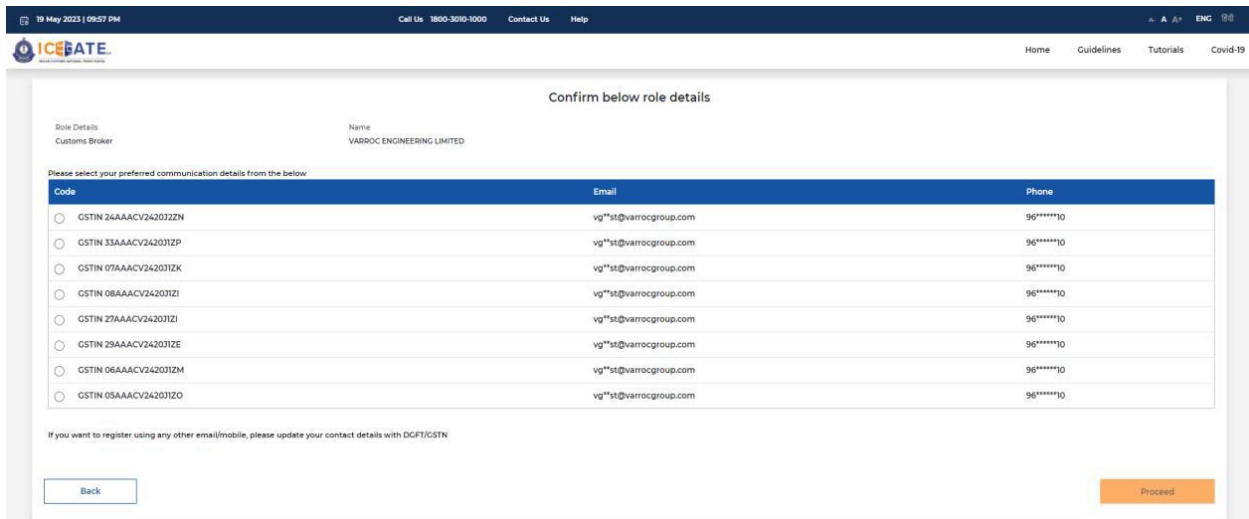

- IEC and GSTIN should be valid and correct, i.e. registered with DGFT and GSTN respectively.
- IEC and GSTIN entered by unit should belong to the same entity
- IEC should be not blacklisted, suspended or cancelled

g) On clicking the <Proceed> button, The system will display the below screen from which user can select the contact details which will be used for obtaining ICEGATE

registration. These contact details are fetched from GSTN/DGFT records based on the IEC and GSTIN provided in the previous step and the selected contact details will be used for authenticating all the transactions and actions on ICEGATE.

In case the user does not wish to proceed with either of the contact details options provided in this screen and want to obtain registration using any other email/mobile, the user shall be required to first update the contact details with GSTN (DGFT in case of Importer/Exporters) and then try again on ICEGATE.

Points to be noted by SEZ units while filling the SEZ Entity Details

- In case multiple addresses to be added, (+) button can be used. Please Primary address and Pin are mandatory, additional address and Pin are not mandatory.
- LOA document to be uploaded should be digitally signed.
- LOA number should be unique for every SEZ Registration. Only one registration shall be allowed for one IEC, one GSTN and one LOA number.

o) User shall proceed to Bond Details.

The screenshot displays the ICEGATE portal interface. At the top, there is a navigation bar with the date '01 August 2023 | 12:07 PM', contact information 'Call Us 1800-3010-1000', and utility links 'Contact Us' and 'Help'. The main header includes the ICEGATE logo and navigation links for 'Home', 'Guidelines', 'Tutorials', and 'Covid-19'. The central content area shows a form titled 'Bond Details' with three tabs: 'SEZ Entity Details', 'Bond Details' (active), and 'Details of Authorized person from the SEZ Entity'. The form contains the following fields: 'Bond Amount' (500000), 'Bond Expiry Date' (31-08-2023), 'Bond Acceptance Date' (26-07-2023), and 'BG percentage' (0). A note states: 'Note: Bond Expiry Date should be equal to validity Date of LOA.' There are 'Back' and 'Next' buttons at the bottom of the form. The footer contains the Government of India logo, 'Follow us' links, and sections for 'About ICEGATE', 'Accessibility', and 'Contact'.

Points to be noted by SEZ units while filling the SEZ Entity Details

- Bond Expiry date is to be same as Validity date of LOA
- BG percentage has been set to 0 and is non-editable during SEZ Registration

p) User shall proceed to Details of Authorized person from the SEZ Entity
